Keeping the MIS Legacy Alive is the theme of the reunion, which will bring together the Japanese Americans who served in the Army’s Military Intelligence Service during World War II or the occupation of Japan.

More than 6,000 Japanese Americans served in the Pacific and China- Burma-India theaters of war, as well as stateside and elsewhere. Using their knowledge of Japanese language and culture, they were instrumental to victory 70 year ago, then helped rebuild Japan as a modern democracy. Yet their work was cloaked in secrecy for years, and is still largely unheralded.

The MIS Veterans Club of Hawaii is a non-profit organization of U.S. military intelligence veterans of all wars. The club was established in 1946 by returning veterans. Information about the club and the MIS is available at <misveteranshawaii.com>.
